- 🚗 Driving License
- 🎓 Master's Degree in Computer Science
- 🎂 20 years old

Languages

- French (Native)
- English (Fluent)
- Spanish (Intermediate)
- German (Basic)

Skills & Knowledge

- Programming tools** : Python, JavaScript, Django, Flask, React, Node.js, Docker, Kubernetes
- Cloud platforms** : AWS, Google Cloud Platform, Azure
- Databases** : PostgreSQL, MySQL, MongoDB
- Version control** : Git, GitHub, GitLab
- Methodologies** : Agile, Scrum, DevOps
- Soft skills** : Teamwork, Problem-solving, Communication, Adaptability, Time Management

Certifications

- Certified Kubernetes Administrator (CKA)
- AWS Certified Solutions Architect
- Google Professional Cloud Architect

Interests

- Open Source Contributions, Cloud Computing, Artificial Intelligence, Hiking, Photography

Professional Experience

Developer, Engineering Internship
Tech Innovations, Paris, France

2020 - Present

- Developed and maintained web applications using Python and Django.
- Collaborated with product managers to gather requirements and deliver features.
- Implemented RESTful APIs and integrated third-party services.

Software Engineer Intern, Summer Internship
Tech Solutions, San Francisco, CA

2019

- Assisted in the development of a cloud-based application using Python and Docker.
- Conducted testing and debugging to ensure software quality.
- Participated in daily stand-ups and sprint planning meetings.

Junior Developer, Freelance
Self-employed, Remote

2018 - 2019

- Developed small-scale web applications for local businesses.
- Managed project timelines and client communications.
- Gained experience in full-stack development with a focus on user experience.

Projects

Open Source Contributor, Various Projects
GitHub

2017 - Present

- Contributed to multiple open source projects, primarily in Python and JavaScript.
- Improved documentation and fixed bugs in popular libraries.
- Engaged with the community through pull requests and issue discussions.

Personal Project, Portfolio Website
johndoe.com

2021

- Designed and developed a personal portfolio website to showcase projects and skills.
- Implemented responsive design principles for optimal viewing on various devices.

Education

Master's Degree in Computer Science
University of Technology, Paris, France

2018 - 2020

- Specialized in Software Engineering and Cloud Computing.
- Completed a thesis on "Scalable Web Applications using Microservices Architecture".

Bachelor's Degree in Information Technology
University of Science, Paris, France

2015 - 2018

- Focused on Software Development and Database Management.
- Engaged in group projects to develop practical software solutions.

High School Diploma
High School of Excellence, Paris, France

2012 - 2015

- Graduated with honors in Science and Mathematics.
- Active member of the coding club and participated in regional competitions.
